

## ST PAUL'S SCHOOL

Est. 1509

1 December 2021

Dear Ms [redacted]

We would like to thank [redacted] for attending the interview morning on Saturday, 20 November 2021. The teachers enjoyed meeting him.

It is clear from the interviews and examination results that [redacted] is an intelligent young man with sound subject knowledge. He particularly impressed Mr Grant in his Art interview. We felt that given the opportunity to come to St Paul's he would work hard, find the education we provide stimulating, make a valuable contribution to the extra-curricular life of the school and enjoy his time here. Hence I am delighted to offer [redacted] a Boarding place at St Paul's School starting in September 2022 to study Mathematics, Physics, Art and Further Mathematics.

Selecting [redacted] school at 16+ is an important decision and we realise that you may wish to find out more about our school. We would therefore like to invite you to either participate in a live stream on Tuesday, December 7 at 6 pm (GMT), or visit the school in person on Wednesday, December 8 at 9.30 am (GMT). Hopefully this will help you decide whether to accept our offer.

Both events will include talks from Sally-Anne Huang, High Master and Naomi McLaughlin, Undermaster - Head of Year 12. Students who previously joined at 16+ will also be in attendance. They will be happy to talk about their experiences of joining St Paul's and answer any questions you may have. The live stream will include a virtual school tour and a recording of the evening will be available after the event. If you are able to attend in person on the Wednesday, you will be taken on a tour of the school, led by a senior student who joined us at 16+. Please contact the Assistant Registrar, [far@stpaulsschool.org.uk](mailto:far@stpaulsschool.org.uk), by 4 pm on Friday, December 3, if you would like to attend either of these events.

In the Spring we will send you the final details of courses which will be offered in the Autumn of 2022. It will be possible for [redacted] to change his current choice of subjects, however, we would need to consider his suitability to begin different courses in September and may request he achieves subject specific target grades in Summer examinations.

[redacted] place is conditional upon him achieving the following grades at IGCSE: at least eight passes including English and Mathematics. Of these he will need to achieve six IGCSEs at grade A\*/8 or 9, no more than one at
